Monica Zuretti, MD

Dr. Monica Zuretti from Argentina, studied Psychodrama at the Moreno Institute, Beacon N.Y. , under the direction of Dr. J.L. Moreno and Zerka T. Moreno, and graduated as a Director of Psychodrama in 1970. She was the Director of the Moreno Institute between 1972 - 1976. She has been the Director of the Psychodrama and Sociodrama Center since 1985 and of the Zerka T. Moreno Psychodrama and Sociodrama Center since 1992. She is currently working with a Network of Zerka Moreno Centers in Argentina, Spain, Mexico and Italy. A trainer with the Swedish Academy of Psychodrama since its foundation in 1989. Former Vice-President of the International Association of Group Psychotherapy (IAGP); President of the Scientific Committee of the XII International Congress of the IAGP held in Buenos Aires in August 1995.

The registered participants will receive a link one day before the workshop

The workshops are unique to those who attend and WILL NOT BE RECORDED

Galabina Tarashoeva, MD, PhD

Galabina Tarashoeva, MD, psychiatrist, Ph.D., Certified Psychodrama Psychotherapist, Founding member of FEPTO, member of the board of Directors of IAGP. She is the founder and director of Psychodrama Center “Orpheus” – the first institute for psychodrama and psychotherapy in Bulgaria, trainer, educator and supervisor in it. During her student years in Medical Academy Sofia, Galabina took part in “underground” pioneer movement in Bulgaria for establishing group psychotherapy with psychiatric patients. After participating in IX IAGP Congress in Zagreb in 1986, where d-r Tarashoeva met for first time psychodrama, she devoted her energy and time to open the door for psychodrama education in Bulgaria. She organized the first Psychodrama training group in Bulgaria, trained by foreigner trainers. Later, in 1993, after her graduation, Galabina created the first training program for Psychodrama education and found the first psychodrama training center Orpheus. D-r Tarashoeva is a pioneer not only of psychodrama and group therapy in Bulgaria, but also of Playback theater, Child Psychodrama, Action Methods for adolescents, and Research in psychodrama. D-r Tarashoeva did PhD on the topic “Effectiveness of Psychodrama Therapy with patients with panic Disorder”.
